Life and Times at Shomaisou Shiba Inu

Visits of our dogs While we still try to restrict visits to our home to people that are on our “Approved Home List,” I am going to add a new page to my website called [shows](#). You are welcome to visit us and our dogs at one of the shows, especially if it’s in your area. I’ll note them as (Interested/Planning and Entered).

Shomaisou is HODSF and NSCA members

Litter Plans / Adult Dogs

Kimiko Alpha Litter – The [Ace](#) X Kimiko breeding did not take. We will try again on her next season.

Bella Charlie Litter - We completed breeding of the [Guccifer](#) X [Bella](#) Charlie Litter and it is due 7/15/21. Gucci is AtAt Ee and Bella is AyAt EE so the genetic color forecast is 50% red and 50% black & tan.

Michi Bravo Litter - Michi is projected to come in season again July 4th. We are evaluating outside sires for her Bravo Litter.

Aki Alpha Litter – Clearances for [Aki](#) were completed in May. Her next season to breed is projected as middle of October 2021 with litter approximately New Years. We are evaluating sires for her Alpha Litter.

Adults To Approved Home (Selection process for our adult and retired dogs is stricter than the selection process for our puppies). No adult dogs are available currently.

Updated Vaccination Protocols and Health Guarantee The Shiba Inu is a very primitive breed (very high on the [wolfiness scale](#)). We recently updated our [Vaccination Protocols](#) and [Health Guarantee](#) that is part of every Shomaisou contract. We hope this information is helpful for all Shiba homes when making vaccination decisions for your dogs.
