Adult Male To Approved Home (Selection process for our adult and retired dogs is more strict than the selection process for our puppies).

[CH Morningstar Star-Lord Son Of Shishigen Aka Kolo CA. Star-Lord](#) is a 5 yoa intact boy that has sired Champion puppies. We don't have anything in our current breeding plans for him for over a year. We are open to letting him go to an approved home with no other pets where he would be the center of attention. We would be retaining all breeding rights and would be an AKC co-owner. Because of that we would need reasonable access to him for breeding purposes and located within 200 miles.
